

**INNOVATIVE TEACHING
IN BUSINESS & MANAGEMENT**
an international conference on
NOVEL APPROACHES IN BUSINESS EDUCATION

2nd CALL FOR PAPERS

**PhD Research, Case Studies, Posters, non-academic
Contributions and Products/Projects Demonstrations**

8 April 2014

Faculty of Management and Economics

Gdansk University of Technology

Poland

The conference provides a forum for discussion to scholars and practitioners interested in education in the field of management and business. We invite contributions in a wide range of topics underlying all issues associated with education and educational standards, case studies methodologies, education for managers, e-learning tools, innovations for educations, new technologies use and adoptions, and different aspects of teaching management.

We encourage all academics, professionals and practitioners to participate and give their contributions.

Topics may include, but are not limited to:

- Education for managers & SME sector
- Innovative educational tools

- eLearning
- Games, experiments and simulations
- Problem-based learning and case studies
- Linking research and teaching
- Pedagogical research in business education
- Internationalisation in business education
- *Lifelong Learning*

Organizers

Gdańsk University of Technology, Poland
